

Artikelnummer: DMK8

Externe multi-dimmer - 5m

De DMK8 is een externe dimmer kabel waarmee u de backlight helderheid van 1 tot en met maximaal 5 Beetronics displays tegelijkertijd naar wens kunt instellen. Hierdoor is het niet meer nodig de bedieningsknoppen of de afstandsbediening te gebruiken.

- ✓ Multi-dimmer tot 5 displays
- ✓ Snel en eenvoudig te monteren
- ✓ Instelbare helderheid van 1 - 100
- ✓ Compatible met alle Beetronics monitoren
